

# FALKEN ON THE PULSE

## Economy and Comfort

### **SINCERA SN832i**

13 – 14 inch, 65 – 80 series

The Sincera SN832i is a standard tyre with a European taste that provides the longer life and higher durability desired by the African Market. This tyre features a pattern rigidity and contact pressure optimized to enhance long life capabilities. It has an asymmetric tread pattern, which provides a strong profile and construction to enhance durability. The SN832i is a standard tyre for small & midsize vehicles.

- LOW NOISE AND COMFORTABLE RIDE
- DESIGNED FOR FUEL-EFFICIENCY AND LONG SERVICE LIFE

## SINCERA SN832i

13% better mileage compared to existing products.

Test Conditions: ■ New Size: 180/65R15 81W ■ Test Pattern: 01, 02, 03, 04 ■ Road: 01, 02, 03, 04 ■ Test Vehicle: Volkswagen Polo ■ Test Distance: 8,000km ■ Mileage: 2 vehicles were used in each test. Test results are approximate and may vary. ©2014 Falken Tire Co., Ltd. All rights reserved.

Optimized Foot Print and Contact Pressure

High contact pressure  
Distribute across the entire surface

Optimized Wear Energy During Cornering

Optimized contact shape and pressure

Lateral Rigidity Distribution

Enhancing rigidity across the entire tread

Progress of Wear Appearance

The SN832i retains its brand-new pattern image for a long time even as wear progresses. It can be used until completely worn out.

Use of a new pattern design created through simulation, optimizes contact shape and contact pressure.

Durable Construction

- Jointless Full Nylon Band
- Wider Reinforced Steel Belt
- High Tension Casing Ply

4 Rib Pattern

Using a 4 rib pattern design maintains the size and strength of pattern blocks even on small sizes. It meets the needs of Asia, using small and midsize cars.
